“After benefitting from membership in this chapter for many years,” said incoming President Dr. Dallas Stout, “It is an honor and a pleasure to step into this new leadership role and to serve with this new Board of Directors at this time.”

The CSUF Alumni Association's first official chapter, the Nonprofit Professional Alumni Chapter was formed in 1999 by a group of professionals from local nonprofit organizations. Their common goals were to form a professional development network for alumni, and to encourage CSUF students to prepare for and seek out careers in nonprofit and service fields.

In addition to their efforts to reconnect with the University and its academic programs, the alumni established an annual \$1,000 competitive award presented to a continuing or graduating student who seeks a career in the nonprofit sector. They also created a special track in the Student Leadership Institute that offered students workshops in nonprofit management skills. The chapter annually hosts professional development mixers for members, students, alumni, and nonprofit leaders; and cosponsors the Gianneschi Summer School for Nonprofits and CSUF's Community Engagement Awards.
